

Summer School Supply Sales have started, so watch for deals as you fill your backpack! Also, if supplies present a financial burden, please let us know. Parents who are able to buy extras for us to distribute, please know that we always appreciate this! If you have supplies to donate, please label for donation and drop at King Hall during our August 5th orientation.

Safety Materials: Mask & hand sanitizer. Water bottle filled at home. LABELED personal items!

Although there will be online versions of work, students will still need to keep each set of materials thoroughly organized. Consider **3 Binders** to contain materials (see example):

1. AM classes - separate 1st & 2nd periods with a large divider, then subdivide each.
2. PM classes - separate 3rd & 4th (or 5th) periods w/ large divider then subdivide.
3. CORE/CLICK/Soft Skills - This is definitely the binder to have for all CORE meetings.

Each Semester Students Need (please label all items):

- Heavy Duty Backpack (*wheels strongly recommended for on-campus courses*)
- 3 Binders: 1.5" with pockets (Slant or D-Ring recommended). *Blank cover can serve as a white board if you insert a sheet of paper below the clear cover and use dry erase markers.*
- Assorted Pens (black & blue required, other colors optional)
- #2 Pencils & sharpener
- Fine tip dry erase marker
- Tabs for binders (4 sets of 5 tabs)
- Loose leaf paper - *AVOID the 5 subject notebooks as you will need separate notebooks for each class*
- Graph paper (4 or 5 squares/inch)
- Lined note cards - at least 150 to start
- Colored pencils - 1 pack
- Assorted Highlighters (2-4 different colors)
- Post-it notes: squares, (tabs optional)
- Computer, tablet, Chromebook or similar device.
- *WORKS does NOT work on EMU computers and the files cannot transfer back and forth. You must be able to turn in your computer work in a Word compatible program.*
